

A Fountain Run resident was arrested yesterday (Tuesday) afternoon at about 3:15 on South Broadway in Glasgow for possession of marijuana and possession of drug paraphernalia. Thirty-four-year-old Joseph J. Puccio was arrested after Officer Driver of the Glasgow Police Department made contact with Puccio and a female. The female appeared very distraught and under the influence. The female gave consent for the officer to search her purse, which revealed a bag of suspected marijuana and rolling papers. Puccio immediately stated that the marijuana and rolling papers were his and he had just put the items in her purse. Puccio was lodged in the Barren County Correctional Center.
