

DEER BREAKS GLASS AND RUNS THROUGH GLASGOW WENDY'S

Wednesday, 24 October 2012 09:25

Wednesday morning, October 24th at 7:49, Glasgow Police were called to Wendy's Restaurant where a deer had broken through a glass door, ran through the dining room and jumped out of a front window.

The deer then ran through McDonald's parking lot, across the by-pass and disappeared in a tree line near Service One Credit Union.

The deer was injured and has visible blood on its torso. The injury may also make it more aggressive toward what it considers further threat. If you would see the deer, call the Police Department at 651-5151.

DO NOT ATTEMPT TO SHOOT IT! This would cause too many other hazards!
