---

The first night of the Glasgow Rotary Auction was a success as lots of bargains were auctioned off for the good of the community. Night number 2 airs tonight at 6 pm, with another round of great items. You can preview the list in today's Glasgow Daily Times, in last week's Barren County Progress. As a reminder, if you bought items last night you can pay for them and pick them up today at PBI Bank Corner of the bypass and West Main, during regular hours.
