

APOLOGY FOR KY SPORTS RADIO THIS MORNING

Wednesday, 28 November 2012 10:23

We'd like to apologize to our listeners of KY sports radio. Matt Jones & Co. Studios at 1080 in Louisville had to conclude their show one hour early in order to cover the UK Womens basketball game. What you heard today was yesterdays podcast, which was sent to us via Louisville.

Join Matt Jones and KY Sports Radio tomorrow from 9-11 AM on WCLU for more on UK's new football coach, Mark Stoops and the University of Louisville joining the ACC.
