

On Saturday, December 8, members of the Barren County high school band auditioned for the 2013 All-State Bands and Orchestra. Over 900 student musicians from throughout the Commonwealth traveled to John Hardin High School in Elizabethtown to perform a prepared piece of music and sight read for a panel of judges who are experts on their instruments. Membership in this band is the highest honor that high school instrumentalists can achieve and translates into generous scholarships to attend college. Dr. Kip Crowder and Monica O. Crowder, directors of the BCBS band are pleased to report the following results.

Brett Willis - 1st chair Bassoon - Orchestra

John McGhee - 2nd chair Snare - Orchestra
