

If you've been seeing a lot of Geese flying in the shape of a V, you may be mistaken. This is the time for Sandhill Cranes to visit Barren County and Jamie Avery, the Recreation Supervisor from the Barren River Lake State Resort Park has the information on what they are and why they come.

{audio}<http://wcluradio.com/newscuts/0103cranes.mp3>{/audio}

Stay tuned to WCLU because there are 2 upcoming weekends at the Resort that will highlight Sandhill cranes and have van tours to see them in action. We will have those dates and times closer to those weekends.
