

The Barren County Sheriff's department has taken into custody 5 juveniles and one adult in connection with the rash of Bomb threats over the past two days in the Barren County School System. Those individuals are being booked at this hour and no names or charges have been released at this time. Superintendent Bo Matthews commended his staff and the Barren County Sheriff's office for their work in quickly solving this case. WCLU will have more information throughout the night as it is being released
