---

We want to remind you again as we did in Monday's newscast that lane closures will be used this week on I-65 between Smiths Grove, mm 38 and mile marker 32 for maintenance work during the hours of 8:00 am and 5:00 pm. Today the work will be in the northbound direction and traffic will be pushed down to two lanes.

Work will be switched to the southbound direction for Wednesday and Thursday, keeping two lanes open.
