

Congratulations to Glasgow Resident Jason Alexander. Jason was chosen one of three nominees for "Outstanding Official of the Year" for his work. Jason's nomination as the "Outstanding Official of the Year" is quite an accomplishment as there are approximately 4200 officials licensed as high school officials in Kentucky. Also nominated were David Benson from Henderson County and Kenny Clark, from Worthington, Ky. Jason has been umpiring for the KHSAA for nine years, calling eight district tournaments, seven regional tournaments, and two State tournaments in which he called the Kentucky State High School Finals last year. He is a member of the South Central Kentucky Umpires Association.
