

A Court order was filed in Federal Court in Bowling Green today, similar to the one filed yesterday that defines the particulars of the sentencing phase for Barren County Sheriff

Chris Eaton. Yesterday the court set sentencing for Adam Minor for 9 am on August 1st. That has now become the same date and time for the sentencing of Sheriff Eaton. The 5 page order outlines the notifications and procedures leading up to the August 1st sentencing hearing, including whether or not they intend to call witnesses. The order specifies that Eaton is allowed to remain on bond pending sentencing.
