

CLICK IT OR TICKET CAMPAIGN

Sunday, 19 May 2013 06:11

The Kentucky high way safety office is starting their nationwide Click It or Ticket campaign this Monday. Police will be setting up check points to check for wearing seatbelts. Last year, Kentucky experienced 746 death on the road way. According to KOHS, this is an increase from last years 721 fatalities. The Click It or Ticket campaign is designed for awareness and saving driver's lives. The campaign runs from May 20 through June 2
