

There will be a lawn mower pull in Cave City tomorrow. The pull is organized by Cave City Proud- a community group in the area dedicated to showing off the city to its residents and visitors alike.

Cave City Proud President Wesley Pedigo says the pull is part of a larger series of events to fund Cave City Proud Days a downtown event put on for the community:

The pull will take place at the old Doyle Ball Park. Weigh in and registration is at 2pm and the pull begins at 4. Food vendors will sell concessions such as pork shoulder, hamburgers and chips at the event.
