

METH LAB BUST RESULTS IN 5 ARRESTS IN BOWLING GREEN

Thursday, 11 July 2013 14:29

Yesterday at approximately 1:15 am, Warren County Sheriff's Office responded to a loud vehicle complaint in the area of Sunny Acres Mobile Home Park at 670 Mt. Olivet Road. Sheriff's Deputies observed a vehicle and initiated a traffic stop. The driver of the vehicle, 31-year-old Josh Watt of Bowling Green, fled on foot and ran into the residence at lot 48 and barricaded himself refusing to get out. There were also 3 vicious pit bulls inside the residence. While securing the scene, 2 separate active methamphetamine labs were located on the front porch. The 5 subjects were arrested as a result of the incident. Other items commonly used in the manufacturing of methamphetamine were located in the vehicle that deputies attempted to stop. Sheriff's deputies certified in the clean up of clandestine labs were assisted by Richardsville Volunteer Fire Department and Warren County Emergency Management assisted with the clean up. Sheriff's Office Animal Control Deputy also responded and took custody of the pit bulls. Two of the arrestees also had outstanding warrants. All of the suspects were lodged in the Warren County Regional Jail. The charges on each subject are listed below. The investigation continues.

57-year-old Martina Conner of Bowling Green – Manufacturing Methamphetamine and Hindering Prosecution or Apprehension Second Degree.

37-year-old Kimberly Black of Bowling Green – Manufacturing Methamphetamine, Hindering Prosecution or Apprehension Second degree, and some outstanding warrants.

31-year-old Josh Watt of Bowling Green – Manufacturing Methamphetamine, Operating Motor Vehicle Under the Influence, No Operators License, Unlawful Possession of Methamphetamine Precursor First Degree, Possession of Drug Paraphernalia, Fleeing or Evading Police First Degree (on foot), Resisting Arrest, and Tampering with Physical Evidence.
