

A pair of children's shoes may not look like much, but to a child in need, they can change a life. The Glasgow Rotary club is teaming up with every Rotary Club in Kentucky to participate in the Shoes for Orphan Souls shoe drive. Now through November 15th, you can help change a Child's life by donating a new pair of shoes to multiple locations in Glasgow. The President of the Glasgow Rotary Club, Josh Underwood brings us more information on the Shoes for Orphan Souls shoe drive.
