

FIRE DEPARTMENT RESPONDS MONDAY TO A DOWNTOWN BUSINESS

Tuesday, 06 August 2013 06:25

The Glasgow Fire department responded at 2:12 Monday afternoon to 100 East Main street, to a business known as Wise PC, on a report of smoke in the building. Firefighters found the smell of

smoke in the business, with some smell in the adjacent law office. It was found

by using a thermal image camera capable of detecting heat signatures, that there was a

overheated light ballast in Wise PC. Firefighters removed the light assembly

from the building. There was no damage other than to the light

assembly. Firefighters were on the scene around 30 minutes.
