A 4 vehicle collision Thursday afternoon injured several persons. The Warren County Sheriff's office responded to the 5000 block of Louisville Road for a four vehicle injury collision. 60 year old Vanetta Webb of Brownsville was traveling south on Louisville Road when she rear ended a blue ford Explorer operated by 51 year old Jerry Williams of Franklin. The impact caused the Explorer to rear end a white Chevy Caprice operated by Melissa Whitlow, age 29 of Bowling Green and caused that vehicle to strike the fourth vehicle, a Blue Jeep operated by 56 year old Tim Garrison of Bowling Green. Melissa Whitlow was transported by EMS to Greenview Hospital for non life threatening injuries sustained in the collision. Vanetta Webb and two juveniles in her vehicle were also injured but not transported. All occupants involved reported wearing seat belts. Alcohol and drugs are not factors in this collision.
