

Warren County Sheriff's Office received a call from Agero Telematics with BMW, advising of a collision with air bag deployment. Agero is a GPS based vehicle and driver safety security service. Upon arrival, deputies saw Linda Gregory was at the collision scene and complained of injuries. Gregory stated the driver, Nermin Omanovic, had fled on foot. Gregory stated she and Omanovic had an argument earlier in the day and Omanovic had left the scene of the collision and fled on foot. Gregory was transported to the Medical Center and released. Omanovic later came to the Warren County Sheriff's Office to obtain a release for the impounded vehicle and was arrested after an interview with deputies, and charged with Assault 2nd degree, Leaving the Scene of an Accident/Failure to Render Aid or Assist with Death or Serious Physical Injury. Omanovic was transported and lodged in the Warren County Jail.
