---

Old trucks, tractors and other government surplus equipment will be up for auction next week in Frankfort.

The Kentucky Transportation Cabinet scheduled the sale to begin at 9 a.m. EDT Tuesday at the Division of Equipment complex on Wilkinson Boulevard. Interested buyers can examine the items the day before the sale.

Transportation Cabinet spokeswoman Miranda Thacker said proceeds from the sale will be used to help buy new equipment for the agency.

The state routinely sells old trucks and other vehicles as surplus when wear makes them costly to maintain. For more information visit [www.transportation.ky.gov](http://www.transportation.ky.gov) or call (502)564-4890
