

GLASGOW FIRE DEPARTMENT RESPONDS TO FIRE AT DANA CORPORATION

Friday, 18 October 2013 07:51

According to Glasgow Fire Chief Tony Atwood, on Thursday morning, the Glasgow Fire Department responded to a fire at Dana Corporation on West Main Street in Glasgow. The fire was located in a dust collection system and was extinguished by firefighters in around 20 minutes. The fire was contained to the machine. Firefighters were on the scene for about an hour and no injuries were reported.
