

On Wednesday the Warren County Sheriff's Office responded to a report of an injury collision in the 5600 block of Louisville Road. Upon arrival, Deputies determined that 57 year old Travis Cline of Bowling Green was driving a 1989 Dodge pickup truck and had attempted to exit the Country Living Mobile Home Community. Upon exit, Cline pulled out in front of northbound traffic. This forced 35 year old Jason Bradley of Bowling Green, to slide his 1996 Honda motorcycle into the side of Cline's truck. Bradley was transported by ambulance to the Medical Center for treatment of non-life threatening injuries. Neither alcohol nor drugs are suspected to be a contributing factor in this collision.
