

EPB CONDUCTING INTERNET MAINTENANCE ON TUESDAY

Saturday, 26 October 2013 07:08

Glasgow EPB will be doing maintenance on their internet system on Tuesday, October 29. The maintenance will start at 11pm and should be completed by 5am on Wednesday, October 30. This will cause an extended interruption of service to all cable modem internet customers. Thank you for your patience and we apologize for the inconvenience.
