

Carol DeGroft, with the Cave City Chamber of Commerce, is pleased to shine the "Business of the Week" spotlight on business community partner, Coffey's Ornamental Concrete Kreation.

Since 1978, Coffey's has been producing benches, bird baths, flower pots, and a wide variety of statues and fountains to enhance a garden or landscape, with many items

Being one of a kind. Coffey's ornamental pieces are sold to wholesalers in 16 different states. Owner Chris Holder (who has served as President of the Ornamental Concrete Producers Association) his wife Tammy and their friendly, helpful staff, invite you to stop and see their unique concrete pieces during their business hours of Monday-Saturday 7am to 5pm and Sundays 1pm to 5pm, or call; 270-773-4040.

Coffey's is now your local Electric Smoke Vapor Bank source, an alternative for those working to kick the smoke habit. Many thanks to Coffey's Ornamental Concrete Kreation and their continued commitment to the Cave City business community.
