

Colton's Steakhouse was packed last night with Hilltopper fans as WKU Head Football Coach Bobby Petrino and Randy Lee, the Voice of the Hilltoppers brought their radio show "Ask the Coach' to Glasgow. After their big win against Army last Saturday, Petrino said the players were glad to have this weekend off to rest after playing back to back on the road games. WCLU News spoke with Coach Petrino and asked how he was enjoying the Kentucky hospitality:

This year's WKU football team is bowl eligible as their record now stands 6-4. Good luck to the Hilltoppers as they face Texas State on November 23.
