

TRI-COUNTY ELECTRIC WILL HAVE SCHEDULED POWER OUTAGE THANKSGIVING NIGHT

Wednesday, 27 November 2013 06:24

According to Tri-County Electric Representatives in Summer Shade:

Weather permitting, power will be interrupted to all areas served from the Summer Shade substation beginning at 11:00pm Thanksgiving night and is expected to be restored to all areas by 3:00am early Friday morning. This outage has been scheduled to make necessary repairs to the substation and will affect the areas of Summer Shade, Beaumont, Willow Shade, Dubre, Cyclone, Sulphur Lick and Persimmon.

Tri-County Electric does apologize for any inconvenience this outage may cause customers
