

15th District Tournament Pairings

Thursday, 2/13

The matchups have been determined for the upcoming 15th district basketball tournament to be held at Glasgow High School the week of February 24th. All four boys' seeds had to be determined by a draw after Monroe County and Barren County tied for first place in the regular season and Glasgow and Allen County-Scottsville tied for third. After last night's district meeting, it's been determined that Monroe County will be the number one seed and they will face Glasgow in the first round on Tuesday, February 25th, at 6:00. The Barren County Trojans will be the two seed and they will take on Allen County-Scottsville on Wednesday, the 26th, at 6:00. The boys championship game will be played on Friday, the 28th.

In the girls' tournament, number two seed Glasgow will play a first round game against Monroe County at 6:00 on Monday, February 24th. That will be followed the same night by top seeded Allen County-Scottsville going up against Barren County around 8:00. The girls 15th district title game will be played Thursday, the 27th, at 6:00.

Tickets for each night will be five dollars at the door. There will be no advanced ticket sales.
