

On Friday night, the Glasgow Fire Department responded to 101 Linwood for a report of a lawnmower on fire close to the house. Firefighters found on arrival that the mower was out. The lawnmower and house both sustained minor damage no estimate was given. Firefighters were on the scene 15minutes and no injuries was reported.

On Saturday morning, the Glasgow Fire Department responded to 206 Wall street Axis salon for a report of smoke on the second floor. When firefighters arrived they found that everyone had exited the building they were also advised by the Salon staff that they had heard a popping noise on the second floor and had seen smoke in the hallway close to a vent in the ceiling. Firefighters found that a light in the hallway had shorted out causing the smoke. The light was removed by the property owner. Firefighters were on the scene around 35 minutes and no injuries was reported on this response.
