

In the finals of the Fourth Region Tennis Tournament from Thursday, the boys' doubles team of T. A. Wells and Matthew Bunnell from Barren County lost 3-6; 1-6 to the number one seeded team of Howard and Lindsey from Greenwood. Wells and Bunnell, the number two seeded team, seemed to have difficulty with establishing any momentum against the Greenwood team, which served well and had fewer unforced errors. Even with the loss, Wells and Bunnell will be advancing to the high school state tennis tournament in Lexington next week because of their play in this year's regional tournament.
